DOUBLE SHOOTING AT VOLUNTOWN

Napoleon Lockwood Pulled Gun on Wife and George Bennett Latter Being in Serious Condition—Both Brought to Hospital—Accused Arrested By Local Officers and Locked Up Here.

A double shooting affair in Voluntown Thursday evening resulted in the bringing of George Bennett and Mrs. Napoleon Lockwood of that village to the Backus hospital in this city, and the subsequent arrest of Napoleon Lockwood, who was brought to the local police station. All are young people, Lockwood and his wife being about 25, and Bennett 22. Bennett's condition is reported to be critical, and Lockwood will be held until the extent of his injuries are determined. Lockwood had been away for a week or two, looking for work, and with his wife was in this city a week ago. They had been employed in the mill at Voluntown and lived in one of the company houses until three weeks ago. After Lockwood went away it is learned that Mrs. Lockwood went to live at the home of Mrs. Jacob Bennett, with whom her son also lives. Bennett, it is said, is married, but does not live with his wife. Lockwood returned to Voluntown on Wednesday and while at Jewett City it is understood he had some trouble with Bennett. Laid off from work at the Bennett house, Lockwood is claimed, purchased a .22-caliber revolver Thursday and started for the place. Before he reached there he met his wife and Bennett in the street, and opened fire with his hammerless revolver.

Bullet in Lung.
Bennett was struck in the left side, the bullet entering his lung, it is believed, and another shot grazed his shoulderblade. Mrs. Lockwood was shot in the hip. They were taken into the Whipple house, where Dr. Agnew of Jewett City was called to see them and had them brought here in an auto, reaching the hospital at 11:45 o'clock.

Local Authorities Called.
The shooting caused much excitement in the village, but no attempt was made to arrest Lockwood. It was understood that the local constabulary did not desire to act, and word was sent to Chief Murphy and Deputy Sheriff Draper of this city. This re-

sulted in Deputy Sheriffs Draper and Stanton, and Superintendent Devito going by auto to the village. Lockwood had gone to the village poolroom and restaurant after the shooting and further frightened the gathering of 25 or more therein by reloading his gun.

Made No Resistance.
He was eating a plate of beans when Deputy Sheriff Draper entered and placed him under arrest and relieved him of his gun, which he had in his hip pocket. He made no resistance, and went with the officers, saying it was not necessary to handcuff him, but the precaution was taken. The local officers left here at 8:30 and returned at 11:50 o'clock, Lockwood being locked up to await the result of Bennett's injuries.

Didn't Intend to Shoot Wife.
Lockwood stated that he and his wife were here a week ago and stopped at a local hotel. He stated that he had words with Bennett at Jewett City Wednesday and bought the revolver on Thursday. He declared that he was sorry for what he had done, but he had reasons for it which would be told when the proper time comes. He expressed the hope that Bennett would live and declared that he did not intend to shoot his wife.

Mr. and Mrs. Lockwood have been married from two to three years. She was Sophia Rice and a native of the village. Bennett had driven a baker's cart, but at the present time was engaged in teaming. Mrs. Lockwood was working daily in the Voluntown mill.

Called Outside Help.
It was reported at Voluntown that Lockwood had sold his wife for \$15, and the rumor was widespread that a Voluntown officer evaded making the arrest, but neither could be verified, though that local officers were called strengthened the latter.

It was stated at the hospital at midnight that Bennett was suffering some pain, but was conscious, and it was probable that no operation would be performed until today, if it is decided to operate.

MISSING HUSBAND NOT FOUND IN PROVIDENCE

Mrs. Fox of Elm Street Would Like to Know Where He Is.

(Special to The Bulletin.)
Providence, R. I., April 25.—A pathetic story is contained in a letter received by Supt. of Police John A. Murray of this city from Mrs. Catherine Fox of 20 Elm street, Norwich, asking for assistance in locating her husband, who left her several months ago.

Mrs. Fox tells the police that she has a small baby boy that is critically ill and continually calling for his father. The latter came to this city, according to his wife, some time ago for the purpose of securing employment, and the last she heard from him he was employed at one of the large garment stores here. She is very anxious to get word to him as she believes his presence will have a beneficial result upon the child's condition. The police, after several hours' investigation this forenoon, were unable to locate the man or obtain any trace of him.

The socialist party will hold its caucus on May 2 to select candidates for the city election and town school board. A committee of three was elected to draw up a platform. A motion was passed that in future all elections shall be eliminated at business meetings, and also all soliciting for tickets, etc. Other routine business was also transacted.

FLOATING IN RIVER.

Body of Unidentified Man Found in the Thames.

The body of an unidentified man about 45 years old was found floating in the Thames river Thursday afternoon by Robert Townsend, a young man who saw the body from a wharf at Uncaeville. Medical Examiner Fox and Coroner Brown were notified, but they were unable to find any signs of foul play. There were no marks of identification. The body was fully clothed and was that of a man about 5 feet 3 inches tall, weight 140, smooth faced, light complexion, light hair. Coroner Brown gave permission for Church & Allen to remove it to their undertaking rooms here, where it was later seen by some Polish people who thought it might be a Polish farmer who disappeared from the Abell farm in Bogaah about two or three weeks ago. They said it was not the man who had disappeared.

DECIDE ON SCHOOL

BOARD THIS WEEK.

Selectmen Will Meet on Saturday to Settle the Number.

First Selectman A. W. Lillibridge stated on Thursday that the board of selectmen were to hold a meeting on Saturday to settle how many shall be upon the town school board under the system of school consolidation which is to go into force here.

Before the first of May the selectmen must announce the number to be upon the board. This may be either three, six, nine or twelve as in their judgment is best. If they decide upon either three or nine it will place the board on the partisan basis, while either six or twelve will make it non-partisan, provided there are only two tickets in the field.

GIRL'S COLOR RETURNS.

Was Pale and Sickly Last Spring. "Every bell is worth five dollars," is an old saying among people who think that the insurance of the blood escape when a bell breaks. But that is a great mistake. A bell is only a sign of impure blood and has no purifying power. The only thing to do is to enrich and vivify the blood and the best thing for this is Vinol, our delicious cod liver and iron preparation without oil.

Other signs of bad blood are pale skin, weakness, nervousness and run-down condition of the system.

Miss Alice Jones, a bright young girl of Richmond Hill, N. Y., was pale and weak for months. She began taking Vinol and it not only made her well and strong but also brought back her healthy color. She also says "I like to take Vinol as the taste is pleasant."

This is the very best time of year to put your blood in good order and build up your system, and we guarantee that Vinol will do this. If it does not, we give back your money. Broadway Pharmacy, G. G. Engler, Norwich, Conn.

Before The Superior Court.

The superior court was occupied all day Thursday with the trial and case of Pion vs. Fox. There will be a short calendar session today and assignment of cases.
